

Origin Maintenance

Benefits of Maintenance Service

- Free software upgrades:
 - Two major versions released each year
- Priority product and license support.
- Home use license:

Home-use licenses are a benefit of your Maintenance Service for individual and group perpetual licenses. They are provided as a convenience for you to work with Origin on your home computer. The home-use license expires when your Maintenance Service expires. When the Maintenance is renewed, the home-use license is automatically extended. You simply need to re-activate the license on your home computer.
- Transfer license to another computer from our website, even if your old computer is no longer available.
- Tools on our website for administrators to effectively manage and maintain group/network licenses.
- Access to beta version of upcoming releases.
- Discount on OriginLab certified training and consulting.
