Question: Any Comments? Anything we could do better?

Response

I don't like haggling for the car. But the sales guy was really cool. I liked the golf ball tie!

When I called the guy hung up on me. Sales guy was good.

The new car is awesome!

The waiting room should have free internet service.

Bob was a great sales guy!

The salesperson was very rude and did not show me any respect. You should fire Bob!

Bob is the best! Give him a raise!
